FREEZE ENTAILS SEVERE LOSS

Last Night Cold Snap Kills All Fruit—Young Plants Appear Lost.

It is the consensus of opinion that all fruit and young plants were killed by the freeze last night and it will come as a severe loss to this community. Opinion is varied as to whether the tobacco plants were killed, on account of being covered, but if not, they had a narrow escape. In commenting on last night's freeze, Prof. G. D. Smith, of the State Normal School, said:

"With the thermometer registering 10 degrees below freezing in many places it looks very much like our entire fruit crop has been killed with the possible exceptions of a few places in the city where the trees were protected by buildings. Some of the most hardy peach and plum may pull through, but it looks like the grapes, apples, pears and cherries are all killed. Even the leaves of the plum, apple, peach and grapes were frozen crisp and if we have any fruit whatever, it will be a streak of luck in favored localities."

VICTORY LOAN FIGURES

Washington, April 25—The Treasury's official review today expressed a fear that many people regarded the Victory Liberty Loan as certain of success without unusual efforts. Meanwhile there are no additional reports of raises in the nation to the total beyond \$397,000,000 tabulated last night. The review asserted that the loan is no different from others and can be boasted only through the enthusiastic support by everybody.

WANTED BIDS ON SCHOOL HOUSE

By order of the County Board of Education, sealed bids will be received until noon, Saturday, May 10th, 1919, for building a one-room school house at Log Cabin. Bidders must be prepared to give bond with bid. The right to accept or reject any or all bids is reserved by the Board. Plans and specifications may be seen at the office of the Superintendent at the court house. Also at the same time and under the same terms and conditions, bids will be received for the erection of a two-room building at Speedwell. Plans and specifications may be seen at the office of the County Superintendent in the court house. B. F. EDWARDS, Supt.

PREMIER ORLANDO LEAVES PARIS

Though Italian Delegates Remain—Will Call Parliament Together.

(By Associated Press)

Although Premier Orlando left Paris last night in protest against President Wilson's action in making public a statement on the Adriatic question, the latest Paris advices do not indicate that the move means a cessation of Italy's participation in the peace conference.

In peace conference circles, according to a Havas dispatch, it is the belief that today an amicable solution of the incident was in the making, and for one thing Italy has shown a desire to maintain good relations with the allies by the fact that the Italian delegates are remaining in Paris and will continue to collaborate in the work of the inter-allied commission not pertaining to the actual work of the peace conference.

It is thought possible that Orlando may call the Italian parliament together soon and may be back in Paris for the opening of negotiations at Versailles on May 1st or 2nd.

Feeling More Hopeful

Paris, April 25—Bulletin—A distinctly more hopeful and less irreconcilable feeling prevailed at Italian headquarters today. No longer was there talk of a breach with the peace conference. Instead it was said, "all may be settled within a fortnight. Orlando has gone to Rome to consult parliament."

Covenant To Be Made Public
Paris, April 25—Bulletin—The plenary session of the peace conference may be held Monday to consider the revised draft of the League of Nations, and such portions of the peace treaty as are then completed. The sessions will be public. It is understood that if the covenant is approved, it will be immediately made public.

GOODBY, WOMEN'S TROUBLES

The tortures and discomforts of weak, lame and aching back, swollen feet and limbs, weakness, dizziness, nausea, as a rule have their origin in kidney trouble, not "female complaints." These general symptoms of kidney and bladder disease are well known—so is the remedy.

Next time you feel a twinge of pain in the back or are troubled with headache, indigestion, insomnia, irritation in the bladder or pain in the loins and lower abdomen, you will find quick and sure relief in GOLD MEDAL Haarlem Oil Capsules. This old and tried remedy for kidney trouble and allied disarrangements has stood the test for hundreds of years. It does the work. Pains and troubles vanish and new life and health will come as you continue their use. When completely restored to your usual vigor, continue taking a capsule or two each day.

THAT MULE AGAIN

While standing on the street in Paris, Miss May Halum, was wearing a stunning new Easter hat which attracted the attention of a mule standing nearby, and he promptly took possession of it. The hat was covered with an assortment of flowers and green leaves which looked palatable to the mule and he promptly reached for it with his jaws and

went off smiling with the satisfaction that he had secured a good meal, though much to the sorrow and tears of the young lady.

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side...

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic."

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

GOVERNMENT URGES PURCHASE OF W. S. S.

The government has started a profit-sharing plan, open to every citizen of the United States. You can become a share-holder in the business of government which 5 years from now will declare an 18 to 21 per cent dividend. In other words your money can earn one-fifth of itself in five years. This is possible under the ThriftStamp and War Savings Stamps.

More than a billion dollars was invested in War Savings and Thrift Stamps in 1918. More than 239,712,916 War Savings Stamps were sold to the people. Each one of these War Savings Stamps is growing in value to its owner at the rate of one cent for every month it is held, which means that every month the value of the country's holdings in War Savings Stamps increases by about \$2,397,120. If these stamps are all held until they mature, on January 1, 1923, they will be worth more than \$1,200,000,000, or a clear profit of \$200,000,000, and this profit is made in the government's business which by buying goods and services makes business and employment for everyone.

That is, the United States government has taken the billion dollars loaned by its people, and is making for them a profit of 20 per cent, which it will return to the people with their original investment. It pays to be a share-holder in the United States.

Schmidt, 23 years old, of 1466 South street, who was wounded by shrapnel, gassed and stricken with influenza during his eleven months' service overseas, five months of which he spent in the first line trenches. He was so black when honorably discharged in a few days.

Schmidt, who held the rank of Master Engineer senior grade, in the 116 Engineers, arrived at Camp Zachary Taylor last night with casual company from Camp Mills. Recovering from the sharpnel wound, which punctured his intestines and necessitated his undergoing a surgical operation, Schmidt returned to the battle front and was fighting until the last gun was fired. The night before the armistice was signed 136 members of his company made the supreme sacrifice.

Germans took the position Americans had occupied when Schmidt fell wounded with sharpnel. He gave the Masonic sign of distress to a German medical officer, who was a member of the fraternity and did all in his power for him. It was launch a counter attack and after dressing his wound the Germans left Schmidt on the field instead of taking him prisoner.

The American troops drove the enemy back and Schmidt was sent back to a hospital.
